

Borders Youth Theatre - Online Mini Monologues

Zoom session Friday 5th June at 4pm

Borders Youth Theatre invites all BYTers - seniors & juniors, [current, past and future...] to choose a 'well-known' character; real or fictional, historical or contemporary, then imagine how they are getting on in lockdown and write a short [roughly 5 minute performance] monologue [could be a duologue+ if you are in lockdown with siblings] for you or another BYTer to perform to camera in an online BYT session. If we have enough interest we'll have extra performances.

Are they in lockdown alone or in a crowded house?
Who are they in contact with and how?
Have they taken up a new hobby?

We hope you will have a go and join in email and let us know:

info@bordersyouththeatre.scot

If you would prefer just to write a monologue and not perform it - or - if you would like to perform and not write then let us know in your email and Eula will help with linking you up.
